TPA Group once again wins the “Best of the Best” title in Tax & Financial Advisor category of HOF Awards 2019

The finale of the 4th European edition of the Hall of Fame Awards 2019 traditionally took place in Prague, Czech Republic. Winners of local CIJ Awards from nine countries competed for main awards. The TPA Poland consulting company took the top of the podium in the Tax & Financial Advisor category.

“We are honored to have been awarded this prestigious award the third year in a row; this year in particular, as the finale saw three companies from the TPA Group – from Poland, the Czech Republic and Serbia. On behalf of the whole team of tax advisers and financial experts I would like to thank the members of the Jury and all those who voted for us and kept their fingers crossed. This award is an excellent evidence of the fact that we represent a stable, recognizable and unrivaled tax and financial practice in the international real estate market, which in Poland has recently been expanded with comprehensive legal services provided by our colleagues from Baker Tilly Woroszyńska Legal,” commented **Małgorzata Dankowska**, tax adviser, Partner heading the real estate team and the Warsaw tax division of TPA Poland.

HOF Awards is organized by the CIJ Europe monthly. The contest takes place in two stages – after local competitions, an independent international Jury chooses winning companies and persons, whose activities and professional practice make them stand out in the European market. This year, companies from Bulgaria, Croatia, Czech Republic, Hungary, Montenegro, Poland, Romania, Serbia and Slovakia competed for the main prize "Best of the Best HOF Awards." The Jury consisted of outstanding CEOs from the real estate industry, directors of the association, as well as the readers of the monthly. The event was participated by more than 250 contestants - *real estate* specialists from 17 countries.

“The fact, that our position in the real estate market in CEE and SEE market is still improving can be attributed to our Clients, who keep motivating us to take up increasingly demanding challenges – for which I would like to express my gratitude, as well as the members of our team, who are determined to participate in them actively.” added **Małgorzata Dankowska**.

The local edition in Poland took place on November 6, 2018, at the Hotel Okęcie in Warsaw. Over 100 nominees competed in six main categories. TPA Poland was distinguished in the “Best Tax & Financial Team” category.
